

SCHOOL NEWS | DEVELOPMENTS

ISI INSPECTION

Our most recent ISI inspection took place in March 2016.

The main findings of the inspection say that:

'pupils make excellent progress in their academic learning'

'the quality of the pupils' achievements and learning is excellent'

'the contribution of teaching is excellent'

'the quality of pupils' personal development is excellent'

'the spiritual, moral, social and cultural development of the pupils is excellent'.

The full report can be read using the ISI report tab on the home page of this website.

HEAD'S FORUMS

In the first week back to school, in September, we held a Head's forum to which all parents were invited. The Forum was a opportunity for the Head to outline his vision for the future; to explore the excellent findings from the March inspection with an explanation of how we will approach any areas for development and to answer any queries from questionnaires given to parents at the end of the Summer term. The evening was very successful and there are plans for another Forum to be held during the Spring term, half way through the year.

AUTHOR VISIT

In October we were visited by award winning author, Billy Bob Buttons who gave our children masterclasses in story writing and answered questions posed by our children. At the end of school Billy Bob Buttons held a very popular book signing.
